Dear Owls Class,

Summer Fayre – Entrepreneur Competition

Are you ready to unleash your creativity and business skills? The summer fayre entrepreneur competition is here, and it's your chance to shine! SAPTFA would like to challenge you to design and run your own summer fayre stall and the stall that makes the most money will win a prize.

How it works:

- SAPTFA will give you a start-up fund of £5 to kickstart your business idea.
- Think about what kind of stall you want to create. Will it be a lemonade stand, a mini bakery, or a funky craft corner? The possibilities are endless!
- On the day of the fayre, you will set up and run your stall for a set time (to ensure you also get to enjoy the fayre!)
- The stall that earns the most money will win a fantastic prize!

Tips for success:

- Team up with friends! Two heads (or three!) are better than one.
- Price your items reasonably. Remember, it's all about having fun and making a little profit.
- You can decorate your stall however you like. Make it eye-catching!
- Be polite and thank everyone who stops by. A smile goes a long way!

So, young entrepreneurs, start brainstorming! What will your stall be? let your imagination run wild!

See you at the Summer Fayre – its going to be a blast!

Best Wishes
