Swanton Abbott

Pupil Premium Strategy Statement

2024-25

This statement details our school's use of pupil premium (and recovery premium for the 2024 to 2025 academic year) funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School Overview

Detail	Data
School Name	Swanton Abbott Community Primary School
Number of Pupils in School	55
Proportion (%) of Pupil Premium Eligible Pupils	29%
Academic Year/Years that our current pupil premium strategy plan covers	24/25
Date this plan was published	10/12/2024
Date on which it will be reviewed	July 2025
Statement authorised by	A.Carter
Pupil Premium Lead	A.Carter
Governor Lead	L.Gatward

Funding Overview

Detail	Data
Pupil Premium funding allocation this academic year	£27996.67
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total Budget for this academic year	£27996.67

Part A: Pupil Premium Strategy Plan

Statement of Intent

Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve high attainment across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

We will consider the challenges faced by vulnerable pupils, such as those who have a social worker and young carers. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.

High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they're set
- act early to intervene at the point need is identified
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge Number	Details of Challenge
1	Internal assessments indicate that attainment in reading and writing among disadvantaged pupils in almost all year groups is below that of non-disadvantaged pupils for children reaching age-related expectations and greater depth. Maths and reading year 6 pupil premium children is lower than non-pupil premium children.
2	Predictions for External assessments (SATs) 2024/5 indicate that attainment in Reading, Writing and Mathematics among disadvantaged pupils in key stage 2 will be below national expectations and will be lower than non pupil premium children.
3	Reduced access to enrichment activities due to the school's coastal rural location.
4	Low parental engagement and aspiration.
5	The engagement behaviour of children where social, emotional and economic barriers exist, and safeguarding related issues are preventing the accelerated progress needed to close the attainment gap.
6	Our attendance data over the last 3 years indicates that attendance among disadvantaged pupils has been lower than for non-disadvantaged pupils. Although the gap historically was minimal, the data for 2020-2021 attendance demonstrates a larger gap and a significant increase in persistent absence between disadvantaged and non-disadvantaged pupils, further demonstrating that partial school closures and COVID-19 pandemic has negatively impacted our disadvantaged pupils to a greater extent than for other pupils. Our assessments and observations indicate that absenteeism is negatively impacting disadvantaged pupils' progress and closure of gaps.

2021-2022				2022-2023				2023-2024			
Overall Attendance		Persistent Absence		Overall Attendance		Persistent Absence		Overall Attendance		Persistent Absence	
PP	Non-PP	PP	Non-PP	PP	Non-PP	PP	Non-PP	PP	Non-PP	PP	Non-PP
93.94%	92.85%	10.5%	13%	96.12%	96.77%	15.8%	10.9%	92.79%	95.5%	9.5%	8.3%

Intended Outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended Outcome	Success Criteria
Increased number of PP children achieving the expected standard in reading, writing and mathematics at the end of KS2. *Measured: On-going and end of term assessments set by the class teacher, scrutinised and discussed in pupil progress meetings with the Head of School. Progress and next steps to be identified and reviewed each term. Governor monitoring termly in-school effectiveness committee.*	By 2024-25, the number of PP children achieving the expected standard at the end of KS2 increases and is inline with or better than PP national.
Increased number of PP children achieving the expected standard in reading, writing and mathematics at the end of KS2 *Measured: On-going and end of term assessments set by the class teacher, scrutinised and discussed in pupil progress meetings with the Head of School. Progress and next steps to be identified and reviewed each term. Governor monitoring termly in-school effectiveness committee.*	By 2024/5, the number of PP children achieving the expected standard at the end of KS2 increases and is inline with or better than PP national.
PP children experience a wide range of enrichment activities which lead to improved outcomes in the core subjects *Measured: Registers from clubs and events. Pupil voice to collect data for clubs/events taken outside of school.*	Children are offered and take up a wide range of clubs, educational visits and in-school visitor experiences. Children are offered and take up a range of activities outside of school, both independently and with their families.
Higher rates of parental engagement through home reading, parent information events and and family learning sessions. Children will aspire to be involved in many different careers and are increasingly aware of the pathways to achieve them. *Measured: Registers from events in school. Gaining the voice of parents through surveys and feedback at events.*	PP children to regularly read at home with their parents. Increased percentages of parents of PP children to attend parent information events and family learning sessions in school. All PP children to attend the Federation careers fair as well as a range of educational settings.
Improved attendance of persistently absent PP results in improved progress and attainment. *Measured: Termly attendance report as part of SLT report to governors. Termly meeting with the attendance governor to report on progress/challenges and next steps.*	Reduced percentage of persistent absence to be inline with non-PP children, and below national.

Activity in this Academic Year

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

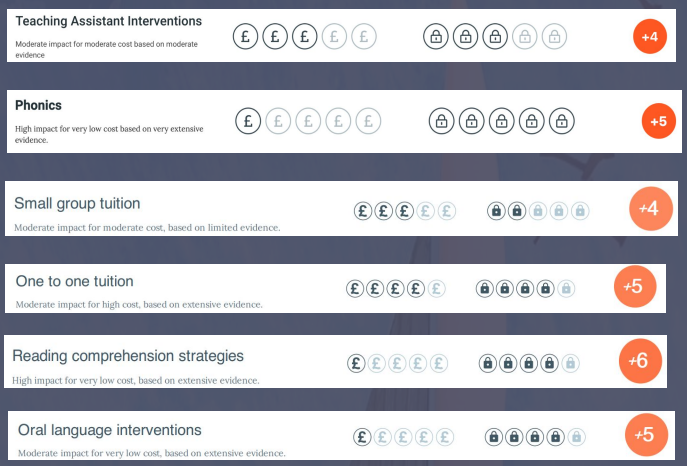

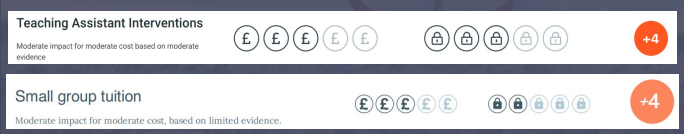

Teaching (for example, CPD, recruitment and retention)

Budgeted Cost: £5468

Activity	Evidence that supports this approach	Challenge Number(s) Addressed
To provide high quality tailored CPD days for Teachers and Teaching Assistants to ensure High Quality First Teaching across the curriculum and key focus areas.		1, 2
To continue to embed JONK (Joy of Not Knowing), metacognition and the Key Concepts at Swanton Abbott Community Primary.		1, 2, 3, 4, 5
To further develop the whole school reading approach to improve children's reading comprehension and fluency, through a new evidence based five step process. To purchase high quality texts for English and Guided Reading sessions that are centred around each topic and linked to the two-year rolling curriculum.	  	1, 2, 4

Targeted Academic Support (for example, tutoring, one-to-one support, structured interventions)

Budgeted Cost: £14549.80

Activity	Evidence that supports this approach	Challenge Number(s) Addressed
To develop the package of interventions offered across the school, including the development of specialist Teaching Assistants and spaces for interventions to take place. Interventions to include the following: • Daily one to one reading for identified children • 1:1 Lexplore Reading Interventions for all children working below or towards the expected standard • Small group, targeted writing intervention sessions. • Small group and 1:1 reading comprehension interventions across Key Stage Two. • Identified and targeted Teacher Led Interventions		1, 2, 3, 5
To support children with the transition to Reception/Year 3		1, 3, 4, 5, 6

Wider Strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted Cost: £6588.50

Activity	Evidence that supports this approach	Challenge Number(s) Addressed
To provide subsidised school visits (50% cost) for all Pupil Premium children.	Outdoor adventure learning Moderate impact for moderate cost, based on moderate evidence. +4 Arts participation Moderate impact for very low cost based on moderate evidence +3	3, 4, 5, 6
To provide support for parents through identified time within the Safeguarding practitioners timetable.	Parental engagement Moderate impact for moderate cost, based on moderate evidence. +3	4, 5, 6
To provide reading rewards for children engaging in reading at home.	Parental engagement Moderate impact for moderate cost, based on moderate evidence. +3 Homework High impact for very low cost based on very limited evidence. +5	1, 2, 4, 5
To provide breakfast and after school club for identified Pupil Premium children to support with morning routines and school attendance.	Outdoor adventure learning Moderate impact for moderate cost, based on moderate evidence. +4 Extending school time Moderate impact for moderate cost based on limited evidence +3	3, 4, 5, 6

Total Budgeted Cost: £26606.30

Part B: Review of outcomes in the previous academic year

Pupil Premium Strategy Outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

The planned activities from the pupil premium plan were delivered consistently. The particular focus on reading ensured the pupil premium children made good progress and attainment was in line with national. The subsidised visits ensured that pupil premium children were able to take part in visits which enhanced and supported the learning.

Attainment of Pupil Premium children at the end of key stage 2 was lower than non-PP children in school.

In reading 60% of pupil premium children attained ARE and 20 attained greater depth

In Writing 60% of pupil premium children attained ARE

In maths 80% of pupil premium children attained ARE and 20% attained greater depth

The % of children attaining ARE in reading and writing was in line with national pupil premium figures while attainment in maths was significantly better than national

External Provided Programmes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.
