Dear Swanton Abbott families,

Re: After School Clubs

We are pleased to share that this academic year we will be offering a wider variety of after school clubs than ever before. These clubs in addition to our fabulous wraparound club, will give children the chance to explore new activities, develop their interests and skills and enjoy exciting experiences beyond the classroom. Our aim, over the year, is to provide something for everyone, so that every child can find a club they look forward to each week.

Attending after school clubs offers children a wide range of benefits. They provide opportunities to explore new interests, develop skills and build confidence outside of the classroom. Clubs also encourage teamwork, resilience and creativity, as well as supporting children's physical and emotional wellbeing. They can help foster friendships across different year groups and give children a sense of belonging and pride in their school community.

During the first half term of the autumn, spring and summer terms, we will be running additional clubs which will be free of charge (except, in some cases, for a small charge for ingredients/resources) delivered by our class teachers. There are a range of clubs available which are shown in the table below. These can be booked using the survey link. Children can attend as many of the clubs as they would like but please note that places are limited and they may not be able to attend the club of their choice. These teacher led clubs will start week commencing 15th September and run for 5 weeks ending on 17th October.

During the second half of the autumn, spring and summer terms, the teacher-run clubs will not take place. However, our normal paid for after school club will continue to run as usual (as it will throughout the first half of each term). If a child attends a free teacher-led club during the first half of term and further childcare is required on that same day, they can also be booked into our wraparound care.. As before, food will continue to be provided during the paid for club, which should be booked in the usual way (through school money).

Day	Club and Provider	Contribution required	Maximum club size	Starts/Time
